ARTICLE IV. SOLICITATION RESPONSE EVALUATION & AWARD PROCESS

4.1 EVALUATION CRITERIA

4.1.1 Conformance with State Law

Solicitation Responses shall be evaluated in accordance with Chapter 2254 of the Texas Government Code and other applicable laws and regulations. The GLO shall make an award to a Respondent based on demonstrated competence and qualifications to perform the services. Solicitation Responses must not include any information regarding Respondent's fees, pricing, or other compensation; the GLO and Provider shall negotiate a fair and reasonable price for the services.

4.1.2 Minimum Qualifications

Respondents must meet the minimum qualifications listed below. Furthermore, upon a unanimous decision of the selected evaluation committee, Solicitation Responses that are determined to be unrealistic in terms of technical commitment, show a lack of technical competence, or indicate a failure to comprehend the risk and complexity of a potential contract may be rejected.

Respondents shall submit a summary (not to exceed two pages) that provides specific support for meeting the minimum qualifications outlined in this Section. This summary can specifically state how the Respondent meets each minimum qualification or can direct the evaluators to the appropriate section of the Solicitation Response that provides support for the Respondent satisfying each minimum qualification.

Within the submittal, respondents shall identify their qualifications and experience with the following minimum qualifications:

- 4.1.2.1 Provider must possess a minimum of ten years' experience in providing engineering services.
- 4.1.2.2 Provider must have the capacity to oversee multiple engineering projects simultaneously.
- 4.1.2.3 Provider must have on its staff a sufficient number of PEs, licensed by the Texas Board of Professional Engineers, to perform the services under the Contract.
- 4.1.2.4 Provider must be financially solvent and adequately capitalized, as demonstrated by the Annual Report requested in Article V of this Solicitation.

4.1.3 Selection Criteria

Solicitation Responses shall be consistently evaluated and scored in accordance with the following criteria:

- 4.1.3.1 Demonstrated ability to provide the required services listed in Article II, including overall readiness to promptly begin services under an award (40%);
- 4.1.3.2 Demonstrated competence providing engineering oversight services related to CDBG programs (25%);
- 4.1.3.3 Overall experience, qualifications, and past performance of Respondent and proposed lead management staff as demonstrated by information provided by Respondent in the Solicitation Response in accordance with Section 5.1 of the Solicitation, any returned references, and the Texas Comptroller of Public Accounts Vendor Performance Tracking System (25%); and
- 4.1.3.4 Overall responsiveness, clarity, and organization of Solicitation Response (10%).

The GLO will also review the Texas Comptroller of Public Accounts Vendor Performance Tracking System to verify vendor performance on other State contracts. This information may be used to:

- a. Identify vendors that have exceptional performance;
- b. Aid purchasers in making a best value determination based on vendor past performance; and
- c. Protect the state from vendors with unethical business practices.

NOTE: To clarify any response, the Solicitation evaluation committee may contact references provided in response to this Solicitation, contact Respondent's clients, or solicit information from any available source concerning any aspect of the Solicitation deemed pertinent to the evaluation process.

4.2 INTERVIEWS

The GLO may require interviews with any or all Respondents. Respondents will be provided with notice of any such interview and are responsible for their own presentation equipment. If oral interviews are conducted, the interviews will be evaluated and scored for a possible 20 points. Failure to participate in the requested presentation may eliminate a Respondent from further consideration. The GLO is not responsible for any costs incurred by a Respondent in preparation for the oral presentation.

4.3 CONTRACT AWARD

It is the intent of the GLO to award up to two contracts to provide services under this Solicitation. An award notice will be sent to the selected Respondent(s). Neither the GLO's issuance nor a Respondent's receipt or acceptance of an award notice forms a contract between the GLO and a selected Respondent. Any award is contingent upon the successful negotiation of final contract terms and upon approval of the Chief Clerk of the GLO. Negotiations shall be confidential and not subject to disclosure to competing Respondents unless and until an agreement is reached. If contract negotiations cannot be concluded successfully, the GLO may negotiate a contract with the next highest scoring Respondent or may withdraw this Solicitation.

5.2 REFERENCES

Respondent shall provide a minimum of three (3) **non-GLO** references for projects of similar type and size performed within the last three years, preferably for state and/or local government entities. - b. Project description;
- c. Total dollar amount of project;
- d. Key staff assigned to the referenced project that will be designated for work under this Solicitation; and

The GLO checks references by e-mail. Respondents who do not provide accurate e-mail addresses waive the right to have those references considered in the evaluation of their Solicitation Responses.

5.3 MAJOR SUBCONTRACTOR INFORMATION

In addition to the requirements of Article II, Respondent must identify any major subcontractors whom Respondent intends to utilize in performing 15% or more of the work. Respondent must indicate whether or not Respondent holds any financial interest in any major subcontractor. Any major subcontractor Respondent intends to utilize in performance of the work must also be included in the Respondent's HUB Subcontracting Plan. If a major subcontractor will not be utilized, Respondent shall so indicate in the appropriate section of the Solicitation Response.

5.4 LITIGATION HISTORY

Respondent must include in its Solicitation Response a complete disclosure of any actual or alleged breaches of contract it has engaged in. In addition, Respondent must disclose any civil or criminal litigation or investigation pending at any time during the last three years that involves Respondent or in which Respondent has been judged guilty or liable. Failure to comply with the terms of this provision may disqualify any Respondent. Solicitation Responses may be rejected based upon Respondent's prior history with the state of Texas or with any other party that demonstrates, without limitation, unsatisfactory performance, adversarial or contentious demeanor, or significant failure(s) to meet contractual obligations.

If Respondent has no litigation history, as described above, Respondent shall so indicate in the appropriate section of the Solicitation Response.

5.5 HISTORICALLY UNDERUTILIZED BUSINESS (HUB)

5.5.1 Introduction

The GLO is committed to promoting full and equal business opportunities for businesses in state contracting in accordance with the goals specified in the State of Texas Disparity Study. The GLO encourages the use of Historically Underutilized Businesses (HUBs) through race, ethnic and gender-neutral means. Pursuant to Texas Government Code §2161.181 and §2161.182, and the GLO's HUB policy and rules, the GLO makes a good-faith effort to increase HUB participation in its contracts. The GLO does this by contracting directly with HUBs or indirectly through subcontracting.

5.5.2 HUB Subcontracting Plan

The Texas Comptroller of Public Accounts ("Comptroller") has established statewide HUB participation goals. The GLO encourages its vendors to reach out to Texas-certified HUBs, as this helps the GLO meet or exceed these goals. Respondents shall make a good-faith effort to include Texas-certified HUBs in their outreach notification process. Contracts awarded pursuant to this Solicitation will be classified as Professional Services contracts as defined by the Comptroller. The Comptroller established a HUB Annual Procurement Utilization Goal of 23.7% HUB usage for Professional Services.

The State of Texas HUB Subcontracting Plan form is included with this Solicitation as **Exhibit E**. A Solicitation Response that does not contain a HUB Subcontracting Plan (HSP) is not responsive and will be rejected without further evaluation. A Solicitation Response will also be rejected if the GLO determines that the HSP was not developed in good faith.

Respondents may access a list of potential HUB subcontractors on the State's CMBL through the following web site:

<https://mycpa.cpa.state.tx.us/tpasscmbsearch/index.jsp>.

The GLO encourages each Respondent to select multiple subcontractors for each subcontracting opportunity who are able to perform work Respondent plans to subcontract. This will allow the selected Providers to make needed changes to their original HSPs and allow the GLO to quickly approve such changes.

Please refer to the cover letter included with **Exhibit E** for specific instructions for locating potential HUB subcontractors utilizing the state's CMBL.

5.5.3 GLO HUB Team Contacts

Respondents may request courtesy reviews of HSPs and direct questions about HSPs or the HUB program to the HUB outreach staff listed below. All other questions about this Solicitation must be directed to the single point of contact listed in section 3.2.1.

5.5.4 Post-award HSP Requirements

The GLO shall review and evaluate each HSP prior to contract award and, if accepted, the finalized HSP shall become part of each selected Provider's contract. After contract award, the GLO will coordinate a post-award meeting with the selected Provider to discuss HSP reporting requirements. The selected Provider must maintain business records documenting compliance with their HSPs and must submit monthly subcontracting reports to the GLO by completing the HUB Prime Contractor Progress Assessment Report. This monthly report is required as a condition for payment. HUB Progress Assessment Reports will be sent to: hub@glo.texas.gov.

As a condition of award, a selected Provider is required to send a notification to all selected subcontractors identified in the accepted/approved HSP. A copy of the notification must be provided to the HUB Program Office at hub@glo.texas.gov within ten (10) days of the contract award.

Provider shall obtain prior written approval from the GLO before making any changes to the HSP. Proposed changes must comply with the HUB Program good-faith effort requirements relating to the development and submission of an HSP. The requirements for an HSP change request will be covered in the post-award meeting.

Failure to meet the HSP post-award requirements will constitute a breach of contract and will be subject to remedial actions. The GLO may also report noncompliance to the CPA in accordance with the provisions of the Vendor Performance and Debarment Program (see 34 TAC §20.585 relating to Debarment and 34 TAC §20.586 relating to Procedures for Investigations and Debarment).

5.5.5 Compliance with Federal Requirements

Compliance with this Section 5.5 corresponds to a UGLG's required compliance with the "contracting with small and minority businesses, women's business enterprises, and labor surplus area firms" requirement found at 2 CFR § 200.321.

5.6 CONFLICTS

Respondent must disclose any potential conflict of interest it may have in providing the services described in this Solicitation, including all existing or prior arrangements. Please include any activities of affiliated or parent organizations and individuals who may be assigned to manage this account. If Respondent has no conflicts, as described above, Respondent shall so indicate in the appropriate section of the Solicitation Response.

5.7 ANNUAL REPORT

If Respondent is an entity that is required to prepare audited financial statements, Respondent shall submit an annual report that includes:

- a) Last two years of audited accrual-basis financial statements, including an income statement, cash flow statement, and balance sheet;
- b) If applicable, last two years of consolidated statements for any holding companies or affiliates;
- c) An audited or un-audited accrual-basis financial statement of the most recent quarter of operation; and
- d) A full disclosure of any events, liabilities, or contingent liabilities that could affect Respondent's financial ability to perform this contract.

If Respondent is a privately-owned entity or sole proprietorship for which audited financial statements are not required, Respondent shall submit an annual report that includes:

- a) Last two years of un-audited accrual-basis financial statements, including an income statement, cash flow statement, and balance sheet;
- b) An audited or un-audited accrual-basis financial statement of the most recent quarter of operation; and
- c) A full disclosure of any events, liabilities, or contingent liabilities that could affect Respondent's financial ability to perform this contract;

OR

- d) Other financial information sufficient for the GLO, in its sole judgement, to determine if Respondent is financially solvent and adequately capitalized.

Respondent shall also complete and submit the Financial Statement Components Worksheet, posted to the ESD as an Excel workbook (.xlsx format). Any Respondent

that fails to comply with this Section 5.7 or that is not financially solvent or adequately capitalized, as determined by the GLO's Procurement Financial Analysis process, as affirmed by the GLO Chief Financial Officer, shall be deemed to not have met the minimum qualification stated in Section 4.1.2.4 of this Solicitation.

ARTICLE VI. TERMS, CONDITIONS AND EXCEPTIONS

6.1 GENERAL CONDITIONS

6.1.1 Amendment

The GLO reserves the right to alter, amend, or modify any provision of this Solicitation, or to withdraw this Solicitation, at any time prior to the award, if it is in the best interest of the GLO.

6.1.2 Informalities and Irregularities in Solicitation Responses

The GLO reserves the right to waive minor informalities and irregularities in any Solicitation Response received.

6.1.3 Rejection

The GLO reserves the right to reject any or all Solicitation Responses received prior to contract award.

6.1.4 Irregularities in Solicitation

Any irregularities or lack of clarity in this Solicitation should be brought to the attention of the point-of-contact listed in Section 3.2.1 as soon as possible so that corrective addenda may be furnished to prospective Respondents via the ESBDD.

6.1.5 Offer Period

Solicitation Responses shall be binding for a period of 120 days after they are opened. Respondents may extend the time for which their Solicitation Response will be honored. Upon contract execution, prices agreed upon by the Respondent are an irrevocable offer for the term of the contract and any contract extension(s). No other costs, rates, or fees shall be payable to the Respondent unless expressly agreed upon in writing by the GLO.

6.1.6 Open Records

The GLO is a government agency subject to the Texas Public Information Act (PIA), Chapter 552, Texas Government Code. The Solicitation Response and other information submitted to the GLO by the Respondent are subject to release as public information. The Solicitation Response and other submitted information shall be presumed to be subject to disclosure unless a specific exception to disclosure under the PIA applies. If it is necessary for the Respondent to include proprietary or otherwise confidential information in its Solicitation Response or other submitted information, the Respondent must clearly label that proprietary or confidential information and identify the specific exception to disclosure of that

information in the PIA. Merely making a blanket claim that the entire Solicitation Response is protected from disclosure because it contains some proprietary information is not acceptable and shall make the entire Solicitation Response subject to release under the PIA. In order to trigger the process of seeking an Attorney General opinion on the release of proprietary or confidential information, the specific provisions of the Solicitation Response the Respondent considers proprietary or confidential must be clearly labeled as described above. Any information which is not clearly identified as proprietary or confidential shall be deemed to be subject to disclosure pursuant to the PIA, except as provided by law.

Respondents are required to make any information created or exchanged with the state pursuant to this solicitation and any contract that may result from this solicitation, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the state.

Information related to the performance of this contract may be subject to the PIA and will be withheld from public disclosure or released only in accordance therewith. Respondent shall make any information created or exchanged with the state/GLO, and not otherwise excepted from disclosure under the PIA, available in a format that is accessible by the public at no additional charge to the state/GLO. Respondent shall make any information required under the PIA available to the GLO in Portable Document Format (PDF) or any other format agreed between the parties. The original copy of each Solicitation Response shall be retained in the official files of the agency as a public record.

Solicitation Responses and all other documents associated with this Solicitation will be withheld or released upon written request only in accordance with the PIA. To the extent that a Respondent wishes to prevent the disclosure of portions of its Solicitation Response to the public, Respondent shall demonstrate the applicability of any exception to disclosure provided under the PIA in accordance with the procedures prescribed by the PIA. Respondent may clearly label individual documents "confidential" or "trade secret" to demonstrate that it believes certain information is excepted from disclosure and may legally be withheld from the public. Respondent thereby agrees to indemnify and defend the GLO for honoring such a designation. The failure of Respondent to clearly label such documents shall constitute a complete waiver of any and all claims for damages caused by the GLO's release of these records.

Pursuant to Texas Government Code Chapter 2261, any contract that results from this Solicitation, including selected Respondent's Solicitation Response, shall be posted to the GLO's website.

6.1.7 Contract Responsibility

Respondent shall be solely responsible for the performance of all contractual obligations that may result from an award based on this Solicitation. Respondent shall not be relieved of its obligations for any nonperformance by its subcontractors.

6.1.8 Public Disclosure

Respondent will not advertise that it is doing business with the GLO or use a contract resulting from this Solicitation as a marketing or sales tool without prior written consent of the GLO. Furthermore, Respondent may not distribute or disclose this Solicitation to any other vendors or companies without permission from the GLO.

6.1.9 Remedies

All remedies available to the GLO for breach or anticipatory breach of any contract that results from this Solicitation are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies. Liquidated damages, actual damages, cost projections, and/or injunctive relief may also be invoked either separately or combined with any other remedy in accordance with applicable law.

6.2. INSURANCE

6.2.1 Required Coverages

For the duration of any Work Order issued under a contract resulting from this Solicitation, Respondent shall acquire insurance with financially sound and reputable independent insurers, in the type and amount specified in the Work Order, to include, at a minimum, the following:

The required coverage is to be with companies licensed in the state of Texas, with an “A” rating from A.M. Best, and authorized to provide the corresponding coverage.

Work on any contract shall not begin until after Respondent has submitted acceptable evidence of insurance. Failure to maintain insurance coverage or acceptable alternative methods of insurance shall be deemed a breach of contract.

6.2.2 Alternative Insurability

Notwithstanding the preceding, the GLO reserves the right to consider reasonable alternative methods of insuring the contract in lieu of the insurance policies customarily required. It will be Respondent’s responsibility to recommend to the GLO alternative methods of insuring the contract. Any alternatives proposed by Respondent should be accompanied by a detailed explanation regarding Respondent’s inability to obtain the required insurance and/or bonds. The GLO shall be the sole and final judge as to the adequacy of any substitute form of insurance coverage.

6.3. PROTEST

Any actual or prospective bidder, offeror, or contractor who is aggrieved in connection with the solicitation, evaluation, or award of a purchase contract may formally protest to the commissioner of the General Land Office in accordance with Title 31, Section 3.50 of the Texas Administrative Code.

6.4 CONTRACT TERMS AND SOLICITATION ACCEPTANCE

Exhibit C, *Sample Contract*, is the standard contract used by the GLO for services; please review the terms and conditions therein. The GLO reserves the right to negotiate final contract terms with any selected Respondent. The terms and conditions in **Exhibit C** are subject to change prior to the execution of any contract that may result from this Solicitation.

Execution of **Exhibit A** of this Solicitation, *General Affirmations and Solicitation Acceptance*, shall constitute an agreement to all terms and conditions specified in this Solicitation.

6.5 VENDOR PERFORMANCE REPORTING

The GLO is required by rule (34 TAC §20.509) to report vendor performance through the Vendor Performance Tracking System (“VPTS”). Additional information on this system can be found on the Texas Comptroller of Public Accounts website through this link: <https://comptroller.texas.gov/purchasing/programs/vendor-performance-tracking/>.

As of January 24, 2017, the VPTS reporting methodology was revised so that vendors are assigned a letter grade (A-F) rather than the historic satisfactory/unsatisfactory ratings. The report grades for historic reports will be displayed as “Legacy Satisfactory” or “Legacy Unsatisfactory.” New reports will be graded on the A-F scale as now required by statute. A Respondent’s past performance shall be measured in the VPTS by a letter grade that combines any historic ratings with ratings using the new letter grade system in the method described in [34 TAC §20.115](#).

The GLO is authorized to consider past performance when determining a contract award. The GLO may conduct reference checks with other entities regarding past performance. In addition to evaluating performance through the VPTS, the GLO may examine other sources of vendor performance including, but not limited to, notices of termination, cure notices, assessments of liquidated damages, litigation, audit reports, and non-renewals of contracts. Any such investigations shall be at the sole discretion of the GLO, and any negative findings, as determined by the GLO, may result in non-award to the Respondent.

6.6 CERTIFICATE OF INTERESTED PARTIES

Pursuant to Section 2252.908 of the Texas Government Code, a state agency may not enter into certain contracts with a business entity unless the business entity submits a disclosure of interested parties (Form 1295 Certificate of Interested Parties – “Form 1295”) to the state agency at the time of contracting.

To complete Form 1295, a business entity will visit the Texas Ethics Commission’s website and access the Form 1295 Certificate of Interested Parties Electronic Filing Application. An authorized agent of the business entity must sign the printed copy of the form affirming

under the penalty of perjury that the completed form is true and correct. Form 1295, bearing the unique certification of filing number, must be filed with the Texas General Land Office. Form 1295 is not required at the time of submission of the Solicitation Response; the GLO shall request the form concurrent with issuance of a notice of contract award.

Additional information about Form 1295, including frequently asked questions and instructional videos for business entities, may be found on the Texas Ethics Commission's website: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm.

6.7 STATEMENTS OR ENTRIES

Except as otherwise provided under federal law, any person who knowingly and willfully falsifies, conceals, or covers up a material fact by any trick, scheme or device or who makes any materially false, fictitious, or fraudulent statement or representation or who makes or uses any false writing or document knowing the writing or document to contain any materially false, fictitious, or fraudulent statement or entry shall be prosecuted under Title 18, United States Code, § 1001. Under penalties of 18 U.S.C. § 1001, the undersigned Provider representative hereby declares that he/she has examined this Solicitation and Solicitation Response, and, to the best of his/her knowledge and belief, any statements, entries, or claims made by Provider are true, accurate, and complete.

EXHIBIT A. GENERAL AFFIRMATIONS AND SOLICITATION ACCEPTANCE

GENERAL AFFIRMATIONS AND SOLICITATION ACCEPTANCE

Execution of this **Exhibit A**, constitutes an agreement to all terms and conditions in the Solicitation, including, without limitation, this **Exhibit A**. If Respondent fails to sign this **Exhibit A** or signs it with a false statement, Respondent's Solicitation Response and any resulting contract(s) shall be void. Respondent agrees without exception to the following general affirmations and acknowledges that any contract resulting from this Solicitation may be terminated and payment withheld if any of the following affirmations or certifications are inaccurate:

1. Respondent represents and warrants that all statements and information prepared and submitted in its Solicitation Response are current, complete, true, and accurate. Submitting a Solicitation Response with a false statement or making a material misrepresentation during the performance of a contract is a material breach of contract and may void the Solicitation Response and any resulting contract.
2. Pursuant to Section 2155.003 of the Texas Government Code, Respondent represents and warrants that it has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted Solicitation Response.
3. Pursuant to Section 2155.004(a) of the Texas Government Code, Respondent certifies that neither Respondent nor any person or entity represented by Respondent has received compensation from the GLO to participate in the preparation of the specifications or solicitation on which its Solicitation Response is based. Under Section 2155.004(b) of the Texas Government Code, Respondent certifies that the individual or business entity named in its Solicitation Response is not ineligible to receive the specified contract and acknowledges that the contract may be terminated and payment withheld if this certification is inaccurate. This Section does not prohibit a Respondent from providing free technical assistance.
4. Under the Texas Family Code, Section 231.006, a child support obligor who is more than 30 days delinquent in paying child support and a business entity in which the obligor is a sole proprietor, partner, shareholder, or owner with an ownership interest of at least 25 percent is not eligible to receive payments from state funds under a contract to provide property, materials, or services. Under Section 231.006, Texas Family Code, the vendor or applicant [Respondent] certifies that the individual or business entity named in this contract, bid, or application [Solicitation Response] is not ineligible to receive the specified grant, loan, or payment. The Solicitation Response must include the name and social security number of any individual or sole proprietor and each partner, shareholder, or owner with an ownership interest of at least 25 percent of the business entity submitting the bid or application. This information must be provided prior to execution of any contract resulting from this Solicitation.
5. The GLO is federally mandated to adhere to the directions provided in the President's Executive Order (EO) 13224, blocking property and prohibiting transactions with persons who commit, threaten to commit, or support terrorism and any subsequent changes made to it. The GLO will cross-reference Respondents/vendors with the federal System for Award Management (<https://www.sam.gov/>), which includes the United States Treasury's Office of Foreign Assets Control (OFAC) Specially Designated National (SDN) list. Respondent certifies: 1) that Respondent and its principals are eligible to participate in this transaction and have not been subjected to suspension, debarment, proposed debarment, or similar ineligibility or exclusion by any federal, state, or local governmental entity; 2) that Respondent is in compliance with the State of Texas statutes and rules relating to procurement; and 3) that Respondent is not listed on the federal government's terrorism watch list as described in Executive Order 13224. Entities ineligible for federal procurement are listed at <https://www.sam.gov/>. This provision shall be included in its entirety in all subcontracts to contracts resulting from this Solicitation.
6. Respondent agrees that any payments due under any contract resulting from this Solicitation will be applied towards any debt or delinquency Respondent owes to the State of Texas including, but not limited to, delinquent taxes, delinquent student loan payments, and delinquent child support.
7. In accordance with Section 669.003 of the Texas Government Code, relating to contracting with the executive head of a state agency, Respondent certifies that it is not (1) the executive head of the GLO, (2) a person who at any time during the four years before the date of the contract was the executive head of the GLO, or (3) a person who employs a current or former executive head of a state agency.

8. If any contract resulting from this Solicitation is for services, Respondent shall comply with Section 2155.4441 of the Texas Government Code, requiring the purchase of products and materials produced in the State of Texas in performing service contracts.
9. Respondent shall retain in its records the Solicitation and its Solicitation Response and all documents related to this Solicitation or any contract resulting from this Solicitation. Unless a longer retention period is specified by applicable federal law or regulation, Respondent may destroy such records only after the seventh anniversary of the date: the contract is completed or expires; or all issues that arise from any litigation, claim, negotiation, audit, open records request, administrative review, or other action involving the Solicitation, Solicitation Response, contract, or related documents are resolved. Respondent acknowledges that the State has a right of access to information in Respondent's possession relating to State property and agrees to make such information reasonably available upon request of the GLO.
10. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under a contract resulting from this Solicitation or indirectly through a subcontract under such contract. The acceptance of funds directly under such contract or indirectly through a subcontract under such contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Respondent shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through a contract and the requirement to cooperate is included in any subcontract it awards. Any contract resulting from this Solicitation may be amended unilaterally by the GLO to comply with any rules and procedures of the state auditor in the implementation and enforcement of Section 2262.154 of the Texas Government Code.
11. In accordance with Section 2252.901 of the Texas Government Code, for the categories of contracts listed in that section, Respondent represents and warrants that none of its employees including, but not limited to, those authorized to provide services under the contract, were employees of the GLO during the twelve (12) month period immediately prior to the date of execution of the contract. Solely for professional services contracts as described by Chapter 2254 of the Texas Government Code, Respondent further represents and warrants that if a former employee of the GLO was employed by Respondent within one year of the employee's leaving the GLO, then such employee will not perform services on projects with Respondent that the employee worked on while employed by the GLO.
12. The Respondent shall not discriminate against any employee or applicant for employment because of race, disability, color, religion, sex, age, or national origin. The Respondent shall take affirmative action to ensure that applicants are employed and that employees are treated without regard to their race, disability, color, sex, religion, age, or national origin. Such payments shall be subject to any limit on maximum allowable rates as determined by the GLO or HUD. Neither a single Work Order's consideration amount nor the cumulative consideration total of all Work Orders issued hereunder shall exceed the maximum amount available for such services, as prescribed by HUD or any governing law, for the term of this Contract.

3.02 TRAVEL EXPENSES

- (a) The GLO will not reimburse Provider for travel expenses of any kind without prior written GLO approval. The GLO will only reimburse travel expenses directly attributable to Provider's performance of this Contract and Work Orders issued pursuant to this Contract at the rates established or adopted by the Comptroller of the State of Texas, as outlined in the Travel Regulations.
- (b) Subject to the maximum amount authorized in each Work Order and upon specific, prior, written approval by the GLO, lodging, travel, and other incidental direct expenses¹ may be reimbursed under this Contract for professional or technical personnel who are working away from the cities in which they are permanently assigned, and conducting business specifically authorized in the scope of services of any applicable Work Order issued under the Contract.

3.03 INVOICES

At a minimum, invoices must:

- (a) be submitted to the GLO through its system of record, the Texas Integrated Grant Reporting (TIGR) system, using written instructions provided by the GLO Project Manager, in writing;

3.04 PAYMENT

The Prompt Pay Act generally applies to payments to Provider. **However, the Prompt Pay Act does not apply if Provider does not send invoices that comply with the terms of this Contract.** If Provider does not submit invoices in strict accordance with the instructions in this Contract, payment of invoices may be significantly delayed. The GLO will not pay interest, fees, or other penalties for late payments resulting from Provider’s failure to submit invoices in strict accordance with the instructions in this Contract.

IV. PROVIDER’S WARRANTY, AFFIRMATIONS, AND ASSURANCES

4.01 PERFORMANCE WARRANTY

- (a) Provider warrants that it will perform all services under this Contract in a manner consistent with the degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances.
- (b) Provider warrants that all Deliverables it completes under this Contract will meet or exceed the standards of Provider’s trade, profession, or industry; meet or exceed the specifications set forth in the Attachments; and, to the extent applicable, be fit for ordinary use, of good quality, and with no material defects.
- (c) If Provider submits Deliverables that do not meet specifications, fails to complete Deliverables timely, or fails to perform its obligations under this Contract, the GLO may require Provider, at its sole expense, to:

- (i) repair or replace Deliverables that do not meet specifications;
- (ii) refund payment for Deliverables that do not meet specifications and accept the return of such Deliverables;
- (iii) pay liquidated damages for each unfulfilled obligation or past-due Deliverable in an amount specified in the applicable Work Order, per each day past due until the GLO approves completion of said obligation or Deliverable; and/or
- (iv) take necessary action to ensure that future performance and Deliverables meet specifications and conform to the Contract.

4.02 GENERAL AFFIRMATIONS

Provider certifies that it has reviewed the **General Affirmations** in **Attachment C** and is in compliance with all applicable requirements contained therein. Provider affirms and agrees to all terms and conditions contained in **Attachment C** to the extent they apply.

4.03 FEDERAL ASSURANCES AND CERTIFICATIONS

Provider certifies that it has reviewed the **Federal Assurances and Certifications** in **Attachment B** and is in compliance with all applicable requirements contained therein. Provider certifies it is in compliance with all other applicable federal laws, rules, or regulations pertaining to this Contract, including those listed in an attachment to any Work Order issued under this Contract.

4.04 DEBARMENT AND SUSPENSION

Provider certifies that neither it nor its principals are debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from participation in this Contract by any state or federal agency.

V. FEDERAL AND STATE FUNDING, RECAPTURE OF FUNDS, AND OVERPAYMENT

5.01 FEDERAL FUNDING

- (a) Funding for this Contract is appropriated by the Congress of the United States under the laws identified in any issued Work Orders, and allocated and administered by HUD, in accordance with Executive Order 12892 and the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121, *et seq.*), for necessary expenditures related to the disaster relief and recovery purposes stated in the identified acts. The fulfillment of this Contract is based on those funds being made available to the GLO as the lead administrative state agency for the State of Texas CDBG programs. All expenditures under this Contract must be made in accordance with this Contract, the rules and regulations promulgated under the CDBG programs, and any other applicable laws. Further, Provider acknowledges that all funds are subject to recapture and repayment for noncompliance.
- (b) **Provider must report its Data Universal Numbering System (DUNS) number and a Commercial and Government Entity (CAGE) code to the GLO for use**

in various grant-reporting documents. A DUNS number and CAGE code may be obtained by visiting the System for Award Management website at <https://www.sam.gov/SAM/>. Assistance with this website may be obtained by calling 866-606-8220. Provider is responsible for renewing its registration with the System for Award Management annually and maintaining an active registration status throughout the Contract term.

5.02 STATE FUNDING

- (a) This Contract shall not be construed as creating any debt on behalf of the State of Texas or the GLO in violation of Article III, Section 49, of the Texas Constitution. The GLO's obligations hereunder are subject to the availability of state funds. If adequate funds are not appropriated or become unavailable, the GLO may terminate this Contract. In that event, the Parties shall be discharged from further obligations, subject to the equitable settlement of their interests accrued up to the date of termination.
- (b) Any claim by Provider for damages under this Contract may not exceed the amount of payment due and owing Provider or the amount of funds appropriated for payment but not yet paid to Provider. Nothing in this provision shall be construed as a waiver of the GLO's sovereign immunity.

5.03 RECAPTURE OF FUNDS

The GLO may recapture from Provider payments, including those for any unapproved expenditures, that it makes to Provider that exceed the maximum allowable rates; are not allowed under applicable laws, rules, or regulations; or are otherwise inconsistent with this Contract. Provider must refund such recaptured payments within 30 days after the GLO issues notice of recapture to Provider.

5.04 OVERPAYMENT

Provider shall be liable to the GLO for any costs disallowed pursuant to financial and/or compliance audit(s) of funds received under this Contract. Provider shall reimburse the GLO for such disallowed costs from funds other than those Provider received under this Contract. Provider must refund disallowed costs and overpayments of funds received under this Contract to the GLO within 30 days after the GLO issues notice of overpayment to Provider.

VI. OWNERSHIP, INTELLECTUAL PROPERTY, AND THIRD-PARTY RELIANCE

6.01 OWNERSHIP AND INTELLECTUAL PROPERTY

- (a) The GLO shall own, and Provider hereby irrevocably assigns to the GLO, all ownership rights, titles, and interests in and to all Intellectual Property acquired or developed by Provider pursuant to this Contract. Such Intellectual Property includes, without limitation, all Intellectual Property in and to reports, drafts of reports, data, drawings, computer programs and codes, and/or any other information or materials acquired or developed by Provider under this Contract. The GLO shall have the right to obtain and hold in its name any and all patents,

copyrights, trademarks, service marks, registrations, or such other protections, including extensions and renewals thereof, as may be appropriate to the subject matter.

- (b) Provider may use data, models, methodologies, and know-how that it already owns or licenses (“Preexisting IP”) in performing the services under this Contract. Notwithstanding the delivery of any reports, Provider retains all Intellectual Property rights in Preexisting IP that it may use in connection with performance or incorporate into any reports or other Deliverables that Provider furnishes to the GLO. Provider grants to the GLO and the State of Texas a royalty-free, fully paid-up, worldwide, perpetual, irrevocable, non-exclusive, and non-transferable license to use, distribute, display, or otherwise exploit any Intellectual Property, including Preexisting IP, invented or created by Provider and used in the performance of services under this Contract.
- (c) Provider must give the GLO, the State of Texas, and any person designated by the GLO or the State of Texas all assistance and execute documents required to perfect the rights granted to the GLO herein, without any charge or expense beyond the stated amount payable to Provider for the services authorized under this Contract.

6.02 COPYRIGHT

- (a) Provider agrees and acknowledges that all expressive content subject to copyright protection will be made the exclusive property of the GLO. Such content includes, without limitation, all reports, drafts of reports, drawings, artwork, photographs, videos, computer programs and codes, and/or any other expressive content acquired or developed by Provider pursuant to this Contract (individually a “Work” and collectively the “Works” for the purposes of this Article VI). Provider acknowledges that each Work is a “work made for hire” under the United States Copyright Act of 1976, as amended. All rights in and to each Work, including the copyright to the Work, shall be and remain the sole and exclusive property of the GLO.
- (b) If, for any reason, any Work or any portion of a Work is not a work made for hire, Provider hereby irrevocably assigns to the GLO ownership of all rights, titles, and interests in and to the Works or such portion of any Work. Such rights, titles, and interests include, without limitation, the entire and exclusive copyright in the Works and all rights associated with the copyright (including, but not limited to, reproduction rights, distribution rights, the right to prepare translations and other derivative works, and the right to display the Works in all formats and media now known or developed in the future).
- (c) Provider must give the GLO, the State of Texas, and any person designated by the GLO or the State of Texas all assistance required to perfect the rights defined herein that were granted to the GLO, without any charge or expense beyond the stated amount payable to Provider for the services authorized under this Contract.

VII. RECORDS, AUDIT, RETENTION, AND DISCLOSURE

7.01 BOOKS AND RECORDS

Provider shall keep and maintain under GAAP or GASB, as applicable, full, true, and complete records necessary to fully disclose to the GLO, the Texas State Auditor's Office, the United States Government, and/or their authorized representatives sufficient information to determine Provider's compliance with this Contract and all applicable state, federal, and local laws, rules, regulations, and statutes.

7.02 INSPECTION AND AUDIT

- (a) All records related to this Contract, including records of Provider and its Subcontractors, shall be subject to the Administrative and Audit Regulations.
- (b) The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. Acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the Legislative Audit Committee, to conduct an audit or investigation in connection with those funds. Under the direction of the Legislative Audit Committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. **The Office of the Comptroller General of the United States, the Government Accountability Office, the Office of Inspector General, or any authorized representative of the U.S. Government shall also have this right of inspection.** Provider shall ensure that this clause concerning the authority to audit funds received indirectly by Subcontractors through Provider and the requirement to cooperate is included in any subcontract it awards.
- (c) State agencies authorized to audit and inspect Provider and its records, Subcontractors, and Subcontractors' records include the GLO, the GLO's contracted examiners, the State Auditor's Office, the Texas Attorney General's Office, the Texas Comptroller of Public Accounts, and their authorized designees. With regard to any federal funding, federal agencies authorized to audit and inspect Provider and its records, Subcontractors, and Subcontractors' records include any relevant federal agency, the Office of the Comptroller General of the United States, the Government Accountability Office, the Office of Inspector General, and their authorized designees.

7.03 PERIOD OF RETENTION

All records relevant to this Contract shall be retained for a period subsequent to the final closeout of the federal grant(s) applicable to the Contract, in accordance with federal regulations. **The GLO will notify Provider of the date upon which local records may be destroyed, and Provider shall retain all records related to this Contract until the destruction date determined by the GLO.**

7.04 CONFIDENTIALITY

To the extent permitted by law, Provider and the GLO shall keep all information (in whatever form produced, prepared, observed, or received by Provider or the GLO) confidential to the extent that such information is (a) information that is confidential by law, (b) information that is marked or designated “confidential” (or words to that effect) by Provider or the GLO, or (c) information that Provider or the GLO is otherwise required by this Contract to keep confidential. Provider will not advertise that it is doing business with the GLO, use this Contract as a marketing or sales tool, or make any press releases concerning work under this Contract without the prior written consent of the GLO.

7.05 PUBLIC RECORDS

Pursuant to Chapter 2261 of the Texas Government Code, the GLO shall post this Contract to the GLO’s website. Information related to this Contract and its performance may be subject to the Public Information Act (“PIA”) and will be withheld or disclosed in accordance therewith. Provider shall make any information required under the PIA available to the GLO in portable document file (“.pdf”) format or any other format agreed upon between the Parties, at no additional charge to the GLO or the state. By failing to mark any information that it believes to be excepted from disclosure as “confidential” or a “trade secret,” Provider waives any and all claims it may make against the GLO for releasing such information without prior notice to Provider. Provider shall notify the GLO’s Office of General Counsel within twenty-four (24) hours of receipt of any third-party written requests for information and forward a copy of said written requests to PIALegal@glo.texas.gov. If a request for information was not written, Provider shall forward the third party’s contact information to the above-designated e-mail address.

7.06 PUBLICATION

Reports, publications, presentations, and all other materials produced by Provider with funding provided in whole or in part under this Contract must carry on the front cover or title page of such items appropriate acknowledgement of financial or other support by the GLO and, if applicable, all federal entities providing funds or other support for the Project.

VIII. MISCELLANEOUS PROVISIONS

8.01 INSURANCE

For the duration of each Work Order issued pursuant to this Contract, Provider must acquire and maintain insurance and/or bonds in the type, amount, and under the conditions specified in the applicable Work Order. Provider must submit to the GLO certificates of insurance and other documents necessary to establish to the GLO’s satisfaction that Provider carries the types and amounts of insurance specified in the applicable Work Order. If insurance needs change or the GLO determines any policy does not comply with the terms of the applicable Work Order, Provider must secure such additional policies or coverage that the GLO may reasonably requests or that are required by law or regulation. If coverage expires during the term a Work Order, Provider must

submit renewal certificates to the GLO evidencing continuity of coverage. The GLO may terminate this Contract and/or any Work Order if Provider fails to submit evidence of the required insurance or bonds.

8.02 TAXES, WORKERS' COMPENSATION, AND UNEMPLOYMENT INSURANCE

- (a) Provider shall be solely liable and responsible for payment of Provider's and Provider's employees' taxes of whatever kind arising out of the execution or performance of the Contract. Provider must comply with all applicable state and federal laws regarding wages, taxes, insurance, and workers' compensation. The GLO and the State of Texas shall not be liable to Provider or its officers, agents, employees, representatives, contractors, assignees, designees, or others for the payment of taxes or the provision of unemployment insurance, workers' compensation, or any benefit available to a State of Texas employee or employee of another governmental entity.
- (b) Provider shall indemnify, defend, and hold harmless the State of Texas, the GLO, and/or their officers, agents, employees, representatives, contractors, assignees, and/or designees from and against any and all liability, actions, claims, demands, damages, proceedings, or suits, and all related costs, attorneys' fees, and expenses arising out of, connected with, or resulting from tax liability, unemployment insurance, or workers' compensation in the execution or performance of the Contract. Provider and the GLO shall furnish timely written notice to each other of any action, claim, demand, or suit described herein. Provider shall be liable to pay all costs of defense, including attorneys' fees. Provider must coordinate its defense with the GLO and the Office of the Texas Attorney General if the GLO is a named defendant in any lawsuit arising out of the execution or performance of the Contract. Provider may not agree to the settlement of any such lawsuit or other claim without the concurrence of the GLO and, if applicable, the Office of the Texas Attorney General or other GLO legal counsel.

8.03 LEGAL OBLIGATIONS

For the duration of this Contract, Provider shall procure and maintain any license, authorization, insurance, waiver, permit, qualification, or certification that a federal, state, county, or city statute, ordinance, law, or regulation requires Provider to hold to provide the goods or services required by this Contract. Provider shall pay all costs associated with all taxes, assessments, fees, premiums, permits, and licenses required by law. Provider shall pay any such government obligations not paid by its Subcontractors during performance of this Contract.

8.04 INDEMNITY

Provider shall indemnify and hold harmless the State of Texas and the GLO, and/or their officers, agents, employees, representatives, contractors, assignees, and/or designees from any and all liability, actions, claims, demands, or suits, and all related damages, costs, attorney fees, and expenses to the extent caused by, arising out of, or resulting from any acts of negligence, intentional torts, willful misconduct, personal injury or damage to property, and/or otherwise related to Provider's performance, and/or failures to pay a

Subcontractor or supplier by Provider or its agents, employees, Subcontractors, order fulfillers, consultants under contract to Provider, or any other entity over which the Provider exercises control, or suppliers of Subcontractors in the execution or performance of the Contract. Provider must coordinate its defense with the GLO and the Office of the Texas Attorney General or other GLO legal counsel if the GLO is a named defendant in any lawsuit arising out of the execution or performance of the Contract. Provider may not agree to settle any such lawsuit without the concurrence of the Office of the Texas Attorney General or other GLO legal counsel. The Parties must furnish timely written notice to each other of any action, claim, demand, or suit described herein.

8.05 INTELLECTUAL PROPERTY INFRINGEMENT

- (a) Provider shall defend, indemnify, and hold harmless the State of Texas, the GLO, and/or their officers, agents, employees, representatives, contractors, assignees, and/or designees from and against any and all liability, actions, claims, demands, damages, proceedings, or suits, and all related costs, attorneys' fees, and expenses to the extent arising out of, connected with, or resulting from infringement of any United States patent, copyright, trademark, service mark, or any other intellectual or intangible property right that occurs in the execution or performance of the Contract. Provider and the GLO shall furnish timely written notice to each other of any action, claim, demand, or suit described herein. Provider shall be liable to pay all costs of defense, including attorneys' fees. Provider must coordinate its defense with the GLO and the Office of the Texas Attorney General if the GLO is a named defendant in any lawsuit arising out of the execution or performance of the Contract and any Work Orders issued under the Contract. Provider may not agree to the settlement of any such lawsuit or other claim without the concurrence of the GLO and, if applicable, the Office of the Texas Attorney General or other GLO legal counsel.
- (b) Provider shall have no liability under this section if the alleged infringement is caused in whole or in part by the following:
 - (i) use of the Deliverable or service for a purpose or in a manner for which the product or service was not designed;
 - (ii) any modification made to the Deliverable without Provider's written approval;
 - (iii) any modifications that Provider made to the Deliverable pursuant to the GLO's specific instructions; or
 - (iv) any use of the Deliverable or service by the GLO that does not conform with the terms of any applicable license agreements.
- (c) If Provider becomes aware of an actual or potential claim of Intellectual Property infringement caused by or resulting from Provider's performance of this Contract or the GLO provides Provider with notice of such claim, Provider must, at Provider's sole expense, do the following:
 - (i) procure for the GLO the right to continue to use the affected portion of the product or service or

- (ii) modify or replace the affected portion of the product or service with a functionally equivalent or superior product or service so that the GLO's use is non-infringing.

8.06 ASSIGNMENT AND SUBCONTRACTS

Provider shall not assign, transfer, or delegate any rights, obligations, or duties under this Contract without the prior written consent of the GLO. Any attempted assignment, transfer, or delegation in violation of this provision is void and without effect. Notwithstanding this provision, it is mutually understood and agreed that Provider may subcontract with others for some or all of the services to be performed. In any approved subcontracts, Provider must legally bind such Subcontractor to perform and make such Subcontractor subject to all of the duties, requirements, and obligations of Provider as specified in this Contract. Nothing in this Contract shall be construed to relieve Provider of the responsibility for ensuring that the goods delivered and/or the services rendered by Provider and/or any of its Subcontractors comply with all the terms and provisions of this Contract. Provider must provide written notification to the GLO of any such Subcontractor performing fifteen percent (15%) or more of the work under this Contract. Such notification must include the name and Texas Identification Number of the Subcontractor, the task(s) being performed, and the number of Subcontractor employees expected to perform services related to the Project.

8.07 HISTORICALLY UNDERUTILIZED BUSINESSES (HUBS) / MENTOR PROTÉGÉ PROGRAM

Provider must notify the GLO of HUB Subcontractors performing under this Contract through the submission of an HSP to the GLO for approval. The GLO encourages the parties it contracts with to partner with certified HUBs that participate in the Comptroller's Mentor Protégé Program. Provider must submit monthly compliance reports (Prime Contractor Progress Assessment Report) to HUB@glo.texas.gov detailing any HUB Subcontractor participation under the Contract, including expenditures to a HUB Subcontractor, if applicable. Provider must submit proposed modifications to its HSP to the GLO for prior approval through an HSP Change Order. Provider may not modify its HSP without the GLO's prior written approval. If Provider modifies its HSP without the GLO's prior written approval, the GLO may initiate remedial action as provided in Chapter 2161 of the Texas Government Code.

8.08 RELATIONSHIP OF THE PARTIES

Provider is associated with the GLO only for the purposes and to the extent specified in this Contract. Provider is and shall be an independent contractor and, subject only to the terms of this Contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this Contract. Nothing contained in this Contract creates a partnership or joint venture, an employer-employee or principal-agent relationship, or any liability whatsoever with respect to the indebtedness, liabilities, or obligations of Provider or any other party. Provider shall be solely responsible for, and the GLO shall have no obligation with respect to, the following: the withholding of income taxes, FICA, or any other taxes or fees; industrial or workers' compensation insurance coverage; participation in any group insurance plans available to employees of the State of Texas; participation or contributions by the State of Texas to the State Employees

Retirement System; accumulation of vacation leave or sick leave; or unemployment compensation coverage provided by the State of Texas.

8.09 COMPLIANCE WITH OTHER LAWS

In its performance of this Contract, Provider must comply with all applicable federal, state, and local laws, statutes, ordinances, and regulations. Provider is deemed to know of and understand all applicable laws, statutes, ordinances, and regulations.

8.11 GOVERNING LAW AND VENUE

This Contract and the rights and obligations of the Parties hereto shall be governed by, and construed according to, the laws of the State of Texas, exclusive of conflicts of law provisions. Venue of any suit brought under this Contract shall be in a court of competent jurisdiction in Travis County, Texas. Provider irrevocably waives any objection, including any objection to personal jurisdiction or the laying of venue or based on the grounds of *forum non conveniens*, that it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction in respect to this Contract or any document related hereto. **NOTHING IN THIS CONTRACT SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO.**

8.12 SEVERABILITY

If a court of competent jurisdiction determines any provision of this Contract is invalid, void, or unenforceable, the remaining terms, provisions, covenants, and conditions of this Contract shall remain in full force and effect and shall in no way be affected, impaired, or invalidated.

8.13 FORCE MAJEURE

Except with respect to the obligation of payments under this Contract, if either of the Parties, after a good faith effort, is prevented from complying with any express or implied covenant of this Contract by reason of war; terrorism; rebellion; riots; strikes; acts of God; any valid order, rule, or regulation of governmental authority; or similar events that are beyond the control of the affected Party (collectively referred to as “Force Majeure”), then, while compliance is so prevented, the affected Party’s obligation to comply with such covenant shall be suspended, and the affected Party shall not be liable for damages for failure to comply with such covenant. In any such event, the Party claiming Force Majeure must promptly notify the other Party of the Force Majeure in writing, and, if possible, such notice must set forth the extent and duration thereof. The Party claiming Force Majeure must exercise due diligence to prevent, eliminate, or overcome such Force Majeure event when it is possible to do so and must resume performance at the earliest possible date. However, if nonperformance continues for more than thirty (30) days, the GLO may terminate this Contract immediately upon written notification to Provider.

8.14 DISPUTE RESOLUTION

Except as otherwise provided by statute, rule or regulation, Provider shall use the dispute resolution process established in Chapter 2260 of the Texas Government Code and related rules to attempt to resolve any dispute under this Contract, including a claim for breach of contract by the GLO, that the Parties cannot resolve in the ordinary course of business. Neither the occurrence of an event giving rise to a breach of contract claim nor the pendency of such a claim constitutes grounds for Provider to suspend performance of this Contract. Notwithstanding this provision, the GLO reserves all legal and equitable rights and remedies available to it. **NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF THE GLO’S SOVEREIGN IMMUNITY.**

8.15 ENTIRE CONTRACT AND MODIFICATION

This Contract, its Attachment(s), and any Work Orders, Amendments or Technical Guidance Letters issued in conjunction with this Contract constitute the entire agreement of the Parties and are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements made in connection with the subject matter hereof. Any additional or conflicting terms in any Attachment, Work Order, Amendment, or Technical Guidance Letter shall be harmonized with this Contract to the extent possible. Except as provided herein, this Contract may be amended only by a mutual, written agreement executed by authorized representatives of the Parties.

8.16 COUNTERPARTS

This Contract may be executed in any number of counterparts, each of which shall be an original, and all such counterparts shall together constitute one and the same Contract.

8.17 PROPER AUTHORITY

Each Party represents and warrants that the person executing this Contract on its behalf has the authority to enter into this Contract.

8.18 PREFERENCE AND PROCUREMENT OF MATERIALS

- (a) Provider, in performing the Contract, shall purchase products and materials produced in the State of Texas when they are available at a price and time comparable to those of products and materials produced outside Texas.
- (b) To the extent applicable, Provider shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired in the following manner:
 - (i) competitively within a timeframe allowing compliance with the performance schedule in the applicable Work Order;
 - (ii) in a way that meets the performance requirements specified in the Contract or applicable Work Order; or
 - (iii) at a reasonable price.

To ensure maximum use of recovered/recycled materials pursuant to 2 C.F.R. § 200.322, information about this requirement, along with the list of EPA-designated items, is available at the EPA's Comprehensive Procurement Guideline Program website, <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>.

8.19 SURVIVAL OF TERMS AND CONDITIONS

The terms and conditions of the Contract related to the following subjects shall survive the termination or expiration of this Contract: definitions; interpretive provisions; consideration; warranties; General Affirmations, Federal Assurances, and Federal Certifications; state funding, prohibition on debts created on behalf of the State of Texas and/or the GLO, recapture and overpayment of federal and state funds; limitation of any Provider claim for damages to the amount of funds appropriated for payment but not yet paid to Provider; ownership, Intellectual Property, and copyright; books and records; third-party reliance; insurance; taxes; workers' compensation; unemployment insurance; records-retention methods and time requirements; inspection and audit; confidentiality; public records; indemnification and liability; infringement of Intellectual Property rights; compliance with laws; notices; choice of law and venue; severability; assignment and subcontracting; relationship of the Parties; invoice and fee verification; property rights; default; amendment; dispute resolution; information and data security; and merger and integration. Except as otherwise provided under federal law, any person who knowingly and willfully falsifies, conceals, or covers up a material fact by any trick, scheme, or device; makes any materially false, fictitious, or fraudulent statement or representation; or makes or uses any false writing or document despite knowing the writing or document to contain any materially false, fictitious, or fraudulent statement or entry shall be prosecuted under 18 U.S.C. § 1001.

General Affirmations

To the extent they apply, Subrecipient affirms and agrees to the following, without exception:

1. Subrecipient represents and warrants that, in accordance with Section 2155.005 of the Texas Government Code, neither Subrecipient nor the firm, corporation, partnership, or institution represented by Subrecipient, or anyone acting for such a firm, corporation, partnership, or institution has (1) violated any provision of the Texas Free Enterprise and Antitrust Act of 1983, Chapter 15 of the Texas Business and Commerce Code, or the federal antitrust laws, or (2) communicated directly or indirectly the contents of this Contract or any solicitation response upon which this Contract is based to any competitor or any other person engaged in the same line of business as Subrecipient.
2. If the Contract is for services, Subrecipient shall comply with Section 2155.4441 of the Texas Government Code, requiring the purchase of products and materials produced in the State of Texas in performing service contracts.
3. Under Section 231.006 of the Family Code, the vendor or applicant [Subrecipient] certifies that the individual or business entity named in this Contract, bid or application is not ineligible to receive the specified grant, loan, or payment and acknowledges that this Contract may be terminated and payment may be withheld if this certification is inaccurate.
4. A bid or an application for a contract, grant, or loan paid from state funds must include the name and social security number of the individual or sole proprietor and each partner, shareholder, or owner with an ownership interest of at least 25 percent of the business entity submitting the bid or application. Subrecipient certifies it has submitted this information to the GLO.
5. If the Contract is for the purchase or lease of computer equipment, as defined by Texas Health and Safety Code Section 361.952(2), Subrecipient certifies that it is in compliance with Subchapter Y, Chapter 361 of the Texas Health and Safety Code, related to the Computer Equipment Recycling Program and the Texas Commission on Environmental Quality rules in Title 30 Texas Administrative Code Chapter 328.
6. Pursuant to Section 2155.003 of the Texas Government Code, Subrecipient represents and warrants that it has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the Contract.
7. Payments due under the Contract shall be directly applied towards eliminating any debt or delinquency Subrecipient owes to the State of Texas including, but not limited to, delinquent taxes, delinquent student loan payments, and delinquent child support, regardless of when the debt or delinquency arises.
8. Upon request of the GLO, Subrecipient shall provide copies of its most recent business continuity and disaster recovery plans.

9. If the Contract is for consulting services governed by Texas Government Code Chapter 2254, Subchapter B, in accordance with Section 2254.033 of the Texas Government Code, relating to consulting services, Subrecipient certifies that it does not employ an individual who has been employed by The GLO or another agency at any time during the two years preceding the Subrecipient's submission of its offer to provide consulting services to the GLO or, in the alternative, Subrecipient, in its offer to provide consulting services to the GLO, disclosed the following: (i) the nature of the previous employment with the GLO or other state agency; (ii) the date the employment was terminated; and (iii) the annual rate of compensation for the employment at the time of its termination.
10. If the Contract is not for architecture, engineering, or construction services, except as otherwise provided by statute, rule, or regulation, Subrecipient must use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve any dispute arising under the Contract. NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO.
11. If the Contract is for architecture, engineering, or construction services, subject to Texas Government Code, Section 2260.002 and Texas Civil Practice and Remedies Code Chapter 114, and except as otherwise provided by statute, rule, or regulation, Subrecipient shall use the dispute resolution process provided for in Chapter 2260 of the Texas Government Code to attempt to resolve all disputes arising under this Contract. Except as otherwise provided by statute, rule, or regulation, in accordance with the Texas Civil Practice and Remedies Code, Section 114.005, claims encompassed by Texas Government Code, Section 2260.002(3) and Texas Civil Practice and Remedies Code Section 114.002 shall be governed by the dispute resolution process set forth below in subsections (a)-(d). NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO.
 - a. Notwithstanding Texas Government Code, Chapter 2260.002(3) and Chapter 114.012 and any other statute or applicable law, if the Subrecipient's claim for breach of contract cannot be resolved by the parties in the ordinary course of business, Subrecipient may make a claim against the GLO for breach of contract and the GLO may assert a counterclaim against the Subrecipient as is contemplated by Texas Government Code, Chapter 2260, Subchapter B. In such event, Subrecipient must provide written notice to the GLO of a claim for breach of the Contract not later than the 180th day after the date of the event giving rise to the claim. The notice must state with particularity: (1) the nature of the alleged breach; (2) the amount the Subrecipient seeks as damages; and (3) the legal theory of recovery.
 - b. The chief administrative officer, or if designated in the Contract, another officer of the GLO, shall examine the claim and any counterclaim and negotiate with the Subrecipient in an effort to resolve them. The negotiation must begin no later than the 120th day after the date the claim is received, as is contemplated by Texas Government Code, Chapter 2260, Section 2260.052.
 - c. If the negotiation under paragraph (b) above results in the resolution of some disputed issues by agreement or in a settlement, the parties shall reduce the agreement or

settlement to writing and each party shall sign the agreement or settlement. A partial settlement or resolution of a claim does not waive a party's rights under this Contract as to the parts of the claim that are not resolved.

- d. If a claim is not entirely resolved under paragraph (b) above, on or before the 270th day after the date the claim is filed with the GLO, unless the parties agree in writing to an extension of time, the parties may agree to mediate a claim made under this dispute resolution procedure. This dispute resolution procedure is the Subrecipient's sole and exclusive process for seeking a remedy for an alleged breach of contract by the GLO if the parties are unable to resolve their disputes as described in this section.
 - e. Nothing in the Contract shall be construed as a waiver of the state's or the GLO's sovereign immunity. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas under this Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies or immunities or be considered as a basis for estoppel. The GLO does not waive any privileges, rights, defenses, or immunities available to it by entering into this Contract or by its conduct, or by the conduct of any representative of the GLO, prior to or subsequent to entering into this Contract.
 - f. Except as otherwise provided by statute, rule, or regulation, compliance with the dispute resolution process provided for in Texas Government Code, Chapter 2260, subchapter B and incorporated by reference in subsection (a)-(d) above is a condition precedent to the Subrecipient: (1) filing suit pursuant to Chapter 114 of the Civil Practices and Remedies Code; or (2) initiating a contested case hearing pursuant to Subchapter C of Chapter 2260 of the Texas Government Code.
12. If Chapter 2271 of the Texas Government Code applies to this Contract, Subrecipient verifies that it does not boycott Israel and will not boycott Israel during the term of the Contract.
13. This Contract is contingent upon the continued availability of lawful appropriations by the Texas Legislature. Subrecipient understands that all obligations of the GLO under this Contract are subject to the availability of state funds. If such funds are not appropriated or become unavailable, the GLO may terminate the Contract. The Contract shall not be construed as creating a debt on behalf of the GLO in violation of Article III, Section 49a of the Texas Constitution.
14. Subrecipient certifies that it is not listed on the federal government's terrorism watch list as described in Executive Order 13224.
15. In accordance with Section 669.003 of the Texas Government Code, relating to contracting with the executive head of a state agency, Subrecipient certifies that it is not (1) the executive head of the GLO, (2) a person who at any time during the four years before the effective date

of the Contract was the executive head of the GLO, or (3) a person who employs a current or former executive head of the GLO.

16. Subrecipient represents and warrants that all statements and information prepared and submitted in connection with this Contract are current, complete, true, and accurate. Submitting a false statement or making a material misrepresentation during the performance of this Contract is a material breach of contract and may void the Contract or be grounds for its termination.
17. Pursuant to Section 2155.004(a) of the Texas Government Code, Subrecipient certifies that neither Subrecipient nor any person or entity represented by Subrecipient has received compensation from the GLO to participate in the preparation of the specifications or solicitation on which this Contract is based. Under Section 2155.004(b) of the Texas Government Code, Subrecipient certifies that the individual or business entity named in this Contract is not ineligible to receive the specified contract and acknowledges that the Contract may be terminated and payment withheld if this certification is inaccurate. This Section does not prohibit Subrecipient from providing free technical assistance.
18. Subrecipient represents and warrants that it is not engaged in business with Iran, Sudan, or a foreign terrorist organization, as prohibited by Section 2252.152 of the Texas Government Code.
19. In accordance with Section 2252.901 of the Texas Government Code, for the categories of contracts listed in that section, Subrecipient represents and warrants that none of its employees including, but not limited to, those authorized to provide services under the contract, were employees of the GLO during the twelve (12) month period immediately prior to the date of execution of the contract. Solely for professional services contracts as described by Chapter 2254 of the Texas Government Code, Subrecipient further represents and warrants that if a former employee of the GLO was employed by Subrecipient within one year of the employee's leaving the GLO, then such employee will not perform services on projects with Subrecipient that the employee worked on while employed by the GLO.
20. The Contract shall be governed by and construed in accordance with the laws of the State of Texas, without regard to the conflicts of law provisions. The venue of any suit arising under the Contract is fixed in any court of competent jurisdiction of Travis County, Texas, unless the specific venue is otherwise identified in a statute which directly names or otherwise identifies its applicability to the GLO.
21. IF THE CONTRACT IS NOT FOR ARCHITECTURE OR ENGINEERING SERVICES GOVERNED BY TEXAS GOVERNMENT CODE CHAPTER 2254, SUBRECIPIENT, TO THE EXTENT ALLOWED BY LAW, SHALL DEFEND, INDEMNIFY AND HOLD HARMLESS THE STATE OF TEXAS AND THE GLO, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED COSTS, ATTORNEY FEES, AND EXPENSES ARISING OUT OF, OR RESULTING FROM ANY ACTS OR OMISSIONS

OF SUBRECIPIENT OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT AND ANY PURCHASE ORDERS ISSUED UNDER THE CONTRACT. THE DEFENSE SHALL BE COORDINATED BY SUBRECIPIENT WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND SUBRECIPIENT MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. 22. IF THE CONTRACT IS FOR ARCHITECTURE OR ENGINEERING SERVICES GOVERNED BY TEXAS GOVERNMENT CODE CHAPTER 2254, SUBRECIPIENT, TO THE EXTENT ALLOWED BY LAW, SHALL INDEMNIFY AND HOLD HARMLESS THE STATE OF TEXAS AND THE GLO, AND/OR THEIR OFFICERS, AGENTS, EMPLOYEES, REPRESENTATIVES, CONTRACTORS, ASSIGNEES, AND/OR DESIGNEES FROM ANY AND ALL LIABILITY, ACTIONS, CLAIMS, DEMANDS, OR SUITS, AND ALL RELATED DAMAGES, COSTS, ATTORNEY FEES, AND EXPENSES TO THE EXTENT CAUSED BY, ARISING OUT OF, OR RESULTING FROM ANY ACTS OF NEGLIGENCE, INTENTIONAL TORTS, WILLFUL MISCONDUCT, PERSONAL INJURY OR DAMAGE TO PROPERTY, AND/OR OTHERWISE RELATED TO SUBRECIPIENT'S PERFORMANCE, AND/OR FAILURES TO PAY A SUBCONTRACTOR OR SUPPLIER BY THE SUBRECIPIENT OR ITS AGENTS, EMPLOYEES, SUBCONTRACTORS, ORDER FULFILLERS, CONSULTANTS UNDER CONTRACT TO SUBRECIPIENT, OR ANY OTHER ENTITY OVER WHICH THE CONTRACTOR EXERCISES CONTROL, OR SUPPLIERS OF SUBCONTRACTORS IN THE EXECUTION OR PERFORMANCE OF THE CONTRACT. THE DEFENSE SHALL BE COORDINATED BY SUBRECIPIENT WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND SUBRECIPIENT MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM THE OFFICE OF THE TEXAS ATTORNEY GENERAL. SUBRECIPIENT AND THE GLO SHALL FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM.
23. TO THE EXTENT ALLOWED BY LAW, SUBRECIPIENT SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS THE GLO AND THE STATE OF TEXAS FROM AND AGAINST ANY AND ALL CLAIMS, VIOLATIONS, MISAPPROPRIATIONS OR INFRINGEMENT OF ANY PATENT, TRADEMARK, COPYRIGHT, TRADE SECRET OR OTHER INTELLECTUAL PROPERTY RIGHTS AND/OR OTHER INTANGIBLE PROPERTY, PUBLICITY OR PRIVACY RIGHTS, AND/OR IN CONNECTION WITH OR ARISING FROM: (1) THE PERFORMANCE OR ACTIONS OF SUBRECIPIENT PURSUANT TO THIS CONTRACT; (2) ANY DELIVERABLE, WORK PRODUCT, CONFIGURED SERVICE OR OTHER SERVICE PROVIDED HEREUNDER; AND/OR (3) THE GLO'S AND/OR SUBRECIPIENT'S USE OF OR ACQUISITION OF ANY REQUESTED SERVICES OR OTHER ITEMS PROVIDED TO THE GLO BY

SUBRECIPIENT OR OTHERWISE TO WHICH THE GLO HAS ACCESS AS A RESULT OF SUBRECIPIENT'S PERFORMANCE UNDER THE CONTRACT. SUBRECIPIENT AND THE GLO SHALL FURNISH TIMELY WRITTEN NOTICE TO EACH OTHER OF ANY SUCH CLAIM. SUBRECIPIENT SHALL BE LIABLE TO PAY ALL COSTS OF DEFENSE, INCLUDING ATTORNEYS' FEES. THE DEFENSE SHALL BE COORDINATED BY SUBRECIPIENT WITH THE OFFICE OF THE TEXAS ATTORNEY GENERAL (OAG) WHEN TEXAS STATE AGENCIES ARE NAMED DEFENDANTS IN ANY LAWSUIT AND SUBRECIPIENT MAY NOT AGREE TO ANY SETTLEMENT WITHOUT FIRST OBTAINING THE CONCURRENCE FROM OAG. IN ADDITION, SUBRECIPIENT WILL REIMBURSE THE GLO AND THE STATE OF TEXAS FOR ANY CLAIMS, DAMAGES, COSTS, EXPENSES OR OTHER AMOUNTS, INCLUDING, BUT NOT LIMITED TO, ATTORNEYS' FEES AND COURT COSTS, ARISING FROM ANY SUCH CLAIM. IF THE GLO DETERMINES THAT A CONFLICT EXISTS BETWEEN ITS INTERESTS AND THOSE OF SUBRECIPIENT OR IF THE GLO IS REQUIRED BY APPLICABLE LAW TO SELECT SEPARATE COUNSEL, THE GLO WILL BE PERMITTED TO SELECT SEPARATE COUNSEL AND SUBRECIPIENT WILL PAY ALL REASONABLE COSTS OF THE GLO'S COUNSEL.

24. Subrecipient has disclosed in writing to the GLO all existing or potential conflicts of interest relative to the performance of the Contract.
25. Sections 2155.006 and 2261.053 of the Texas Government Code prohibit state agencies from accepting a solicitation response or awarding a contract that includes proposed financial participation by a person who, in the past five years, has been convicted of violating a federal law or assessed a penalty in connection with a contract involving relief for Hurricane Rita, Hurricane Katrina, or any other disaster, as defined by Section 418.004 of the Texas Government Code, occurring after September 24, 2005. Under Sections 2155.006 and 2261.053 of the Texas Government Code, Subrecipient certifies that the individual or business entity named in this Contract is not ineligible to receive the specified contract and acknowledges that this Contract may be terminated and payment withheld if this certification is inaccurate.
26. Subrecipient understands that the GLO will comply with the Texas Public Information Act (Chapter 552 of the Texas Government Code) as interpreted by judicial rulings and opinions of the Attorney General of the State of Texas. Information, documentation, and other material related to this Contract may be subject to public disclosure pursuant to the Texas Public Information Act. In accordance with Section 2252.907 of the Texas Government Code, Subrecipient shall make any information created or exchanged with the State/GLO pursuant to the Contract, and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the State or the GLO.
27. The person executing this Contract certifies that he/she is duly authorized to execute this Contract on his/her own behalf or on behalf of Subrecipient and legally empowered to contractually bind Subrecipient to the terms and conditions of the Contract and related documents.

28. If the Contract is for architectural or engineering services, pursuant to Section 2254.0031 of the Texas Government Code, which incorporates by reference Section 271.904(d) of the Texas Local Government Code, Subrecipient shall perform services (1) with professional skill and care ordinarily provided by competent engineers or architects practicing under the same or similar circumstances and professional license, and (2) as expeditiously as is prudent considering the ordinary professional skill and care of a competent engineer or architect.
29. The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the Contract or indirectly through a subcontract under the Contract. The acceptance of funds directly under the Contract or indirectly through a subcontract under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Subrecipient shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through the Contract and the requirement to cooperate is included in any subcontract it awards. The GLO may unilaterally amend the Contract to comply with any rules and procedures of the state auditor in the implementation and enforcement of Section 2262.154 of the Texas Government Code.
30. Subrecipient certifies that neither it nor its principals are debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from participation in the Contract by any state or federal agency.
31. Subrecipient expressly acknowledges that state funds may not be expended in connection with the purchase of an automated information system unless that system meets certain statutory requirements relating to accessibility by persons with visual impairments. Accordingly, Subrecipient represents and warrants to the GLO that any technology provided to the GLO for purchase pursuant to this Contract is capable, either by virtue of features included within the technology or because it is readily adaptable by use with other technology, of: providing equivalent access for effective use by both visual and non-visual means; presenting information, including prompts used for interactive communications, in formats intended for non-visual use; and being integrated into networks for obtaining, retrieving, and disseminating information used by individuals who are not blind or visually impaired. For purposes of this Section, the phrase "equivalent access" means a substantially similar ability to communicate with or make use of the technology, either directly by features incorporated within the technology or by other reasonable means such as assistive devices or services which would constitute reasonable accommodations under the Americans With Disabilities Act or similar state or federal laws. Examples of methods by which equivalent access may be provided include, but are not limited to, keyboard alternatives to mouse commands and other means of navigating graphical displays, and customizable display appearance.
32. If the Contract is for the purchase or lease of covered television equipment, as defined by Section 361.971(3) of the Texas Health and Safety Code, Subrecipient certifies its

compliance with Subchapter Z, Chapter 361 of the Texas Health and Safety Code, related to the Television Equipment Recycling Program.

33. Pursuant to Section 572.069 of the Texas Government Code, Subrecipient certifies it has not employed and will not employ a former state officer or employee who participated in a procurement or contract negotiations for the GLO involving Subrecipient within two (2) years after the date that the contract is signed or the procurement is terminated or withdrawn. This certification only applies to former state officers or employees whose state service or employment ceased on or after September 1, 2015.
34. The GLO does not tolerate any type of fraud. GLO policy promotes consistent, legal, and ethical organizational behavior by assigning responsibilities and providing guidelines to enforce controls. Any violations of law, agency policies, or standards of ethical conduct will be investigated, and appropriate actions will be taken. Subrecipient shall report any possible fraud, waste, or abuse that occurs in connection with the Contract to the GLO's Fraud Reporting hotline at (877) 888-0002.
35. The requirements of Subchapter J, Chapter 552, Government Code, may apply to this contract and Subrecipient agrees that the Contract can be terminated if Subrecipient knowingly or intentionally fails to comply with a requirement of that subchapter.
36. If Subrecipient, in its performance of the Contract, has access to a state computer system or database, Subrecipient must complete a cybersecurity training program certified under Texas Government Code Section 2054.519, as selected by the GLO. Subrecipient must complete the cybersecurity training program during the initial term of the Contract and during any renewal period. Subrecipient must verify in writing to the GLO its completion of the cybersecurity training program.
37. Under Section 2155.0061, Texas Government Code, Subrecipient certifies that the entity named in this contract is not ineligible to receive the specified contract and acknowledges that this contract may be terminated and payment withheld if this certification is inaccurate.

***Continuous Contract:** Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service, to include under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.

HUB Subcontracting Plan (HSP)

In accordance with Texas Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov't Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.284 are:

- **11.2 percent for heavy construction other than building contracts,**
- **21.1 percent for all building construction, including general contractors and operative builders' contracts,**
- **32.9 percent for all special trade construction contracts,**
- **23.7 percent for professional services contracts,**
- **26.0 percent for all other services contracts, and**
- **21.1 percent for commodities contracts.**

- - Agency Special Instructions/Additional Requirements - -

*In accordance with 34 TAC §20.285(d)(1)(D)(iii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent's subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only the aggregate percentage of the contracts expected to be subcontracted to HUBs with which the respondent **does not** have a **continuous contract*** in place for **more than five (5) years** shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2009 Texas Disparity Study.*

***Continuous Contract:** Any existing written agreement (including any renewals that are exercised) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or service under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or extensions to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.

SECTION 3: SELF PERFORMING JUSTIFICATION (If you responded "No" to SECTION 2, Item a, you must complete this SECTION and continue to SECTION 4.) If you responded "No" to SECTION 2, Item a, in the space provided below **explain how** your company will perform the entire contract with its own employees, supplies, materials and/or equipment.

SECTION 4: AFFIRMATION

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in SECTION 1, and that the information and supporting documentation submitted with the HSP is true and correct. Respondent understands and agrees that, if awarded any portion of the requisition:

- The respondent will provide notice as soon as practical to all the subcontractors (HUBs and Non-HUBs) of their selection as a subcontractor for the awarded contract. The notice must specify at a minimum the contracting agency's name and its point of contact for the contract, the contract award number, the subcontracting opportunity they (the subcontractor) will perform, the approximate dollar value of the subcontracting opportunity and the expected percentage of the total contract that the subcontracting opportunity represents. A copy of the notice required by this section must also be provided to the contracting agency's point of contact for the contract no later than ten (10) working days after the contract is awarded.
- The respondent must submit monthly compliance reports (Prime Contractor Progress Assessment Report – PAR) to the contracting agency, verifying its compliance with the HSP, including the use of and expenditures made to its subcontractors (HUBs and Non-HUBs). (The PAR is available at <https://www.comptroller.texas.gov/purchasing/docs/hub-forms/ProgressAssessmentReportForm.xls>).
- The respondent must seek approval from the contracting agency prior to making any modifications to its HSP, including the hiring of additional or different subcontractors and the termination of a subcontractor the respondent identified in its HSP. If the HSP is modified without the contracting agency's prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.
- The respondent must, upon request, allow the contracting agency to perform on-site reviews of the company's headquarters and/or work-site where services are being performed and must provide documentation regarding staffing and other resources.

If respondent is participating as a Mentor in a State of Texas Mentor Protégé Program, submitting its Protégé (Protégé must be a State of Texas certified HUB) as a subcontractor to perform the subcontracting opportunity listed in **SECTION B-1**, constitutes a good faith effort to subcontract with a Texas certified HUB towards that specific portion of work.

Check the appropriate box (Yes or No) that indicates whether you will be subcontracting the portion of work you listed in SECTION B-1 to your Protégé.

- Yes (If *Yes*, continue to SECTION B-4.)
- No / Not Applicable (If *No* or *Not Applicable*, continue to SECTION B-3 and SECTION B-4.)

SECTION B-3: NOTIFICATION OF SUBCONTRACTING OPPORTUNITY

When completing this section you **MUST** comply with items **a, b, c and d**, thereby demonstrating your Good Faith Effort of having notified Texas certified HUBs and trade organizations or development centers about the subcontracting opportunity you listed in SECTION B-1. Your notice should include the scope of work, information regarding the location to review plans and specifications, bonding and insurance requirements, required qualifications, and identify a contact person. When sending notice of your subcontracting opportunity, you are encouraged to use the attached HUB Subcontracting Opportunity Notice form, which is also available online at <https://www.comptroller.texas.gov/purchasing/docs/hub-forms/HUBSubcontractingOpportunityNotificationForm.pdf>.

Retain supporting documentation (i.e., certified letter, fax, e-mail) demonstrating evidence of your good faith effort to notify the Texas certified HUBs and trade organizations or development centers. Also, be mindful that a working day is considered a normal business day of a state agency, not including weekends, federal or state holidays, or days the agency is declared closed by its executive officer. The initial day the subcontracting opportunity notice is sent/provided to the HUBs and to the trade organizations or development centers is considered to be “day zero” and does not count as one of the seven (7) working days.

- a.** Provide written notification of the subcontracting opportunity you listed in SECTION B-1, to three (3) or more Texas certified HUBs. Unless the contracting agency specified a different time period, you must allow the HUBs at least seven (7) working days to respond to the notice prior to you submitting your bid response to the contracting agency. When searching for Texas certified HUBs and verifying their HUB status, ensure that you use the State of Texas’ Centralized Master Bidders List (CMBL) - Historically Underutilized Business (HUB) Directory Search located at <http://mycpa.cpa.state.tx.us/tpasscmbsearch/index.jsp>. HUB status code “A” signifies that the company is a Texas certified HUB.
- b.** List the **three (3) Texas certified HUBs** you notified regarding the subcontracting opportunity you listed in SECTION B-1. Unless the contracting agency specified a different time period, you must provide your subcontracting opportunity notice to trade organizations or development centers at least seven (7) working days prior to submitting your bid response to the contracting agency. How to complete your HUB Subcontracting Plan (HSP)

HUB SUBCONTRACTING PLAN (HSP) IS A REQUIREMENT

- Once the agency determines that HUB subcontracting opportunities are probable in the Scope of Work, a completed HUB Subcontracting Plan **must** be returned with your Bid/Proposal.
- If the HSP is not submitted with your response or fails to meet good faith effort requirements, your response **will not** proceed to the evaluation team.

HUB SUBCONTRACTING PLAN (HSP)

- Read the HUB Subcontracting Plan (HSP) form before you begin.
- The HUB GOAL is identified in the “Special Instruction” section of the HSP.
- Decide whether or not you will need to subcontract parts of the contract in order to complete the agency’s scope of work.
- Read the four different options on the HUB Subcontracting Plan (HSP) checklist and determine which options fit your response. Answer each section within that option.
- **Note:** HSP Good Faith Effort – Method B (Attachment B) will require you to provide a Good Faith Effort notification and contact HUBs, trade organization or development centers.

***Continuous Contract:** Any existing written agreement (including any renewals that are described) between a prime contractor and a HUB vendor, where the HUB vendor provides the prime contractor with goods or services, to include under the same contract for a specified period of time. The frequency the HUB vendor is utilized or paid during the term of the contract is not relevant to whether the contract is considered continuous. Two or more contracts that run concurrently or overlap one another for different periods of time are considered by CPA to be individual contracts rather than renewals or amendments to the original contract. In such situations the prime contractor and HUB vendor are entering (have entered) into "new" contracts.

- There are four ways to complete the HSP based on the checklist.
- The checklist identifies which sections of the HSP to complete based on your subcontracting intentions.

You may select one of the four options to complete the scope of work...

- Options #1 – You are using subcontractors and they are all Texas Certified HUBs.
- Option #2 – You will meet or exceed the HUB goal using Texas certified HUBs and Non-HUB subcontractors.
- Option #3 – You will not meet the stated HUB goal using Texas Certified HUBs and Non-HUB subcontractors.

HUB Subcontracting Plan (HSP)

Rev. 2/17

In accordance with Texas Gov't Code §2161.252, the contracting agency has determined that subcontracting opportunities are probable under this contract. Therefore, all respondents, including State of Texas certified Historically Underutilized Businesses (HUBs) must complete and submit this State of Texas HUB Subcontracting Plan (HSP) with their response to the bid requisition (solicitation).

NOTE: Responses that do not include a completed HSP shall be rejected pursuant to Texas Gov't Code §2161.252(b).

The HUB Program promotes equal business opportunities for economically disadvantaged persons to contract with the State of Texas in accordance with the goals specified in the 2009 State of Texas Disparity Study. The statewide HUB goals defined in 34 Texas Administrative Code (TAC) §20.284 are:

- 11.2 percent for heavy construction other than building contracts,
- 21.1 percent for all building construction, including general contractors and operative builders' contracts,
- 32.9 percent for all special trade construction contracts,
- 23.7 percent for professional services contracts,
- 26.0 percent for all other services contracts, and
- 21.1 percent for commodities contracts.

-- Agency Special Instructions/Additional Requirements --

In accordance with 34 TAC §20.285(d)(1)(D)(ii), a respondent (prime contractor) may demonstrate good faith effort to utilize Texas certified HUBs for its subcontracting opportunities if the total value of the respondent's subcontracts with Texas certified HUBs meets or exceeds the statewide HUB goal or the agency specific HUB goal, whichever is higher. When a respondent uses this method to demonstrate good faith effort, the respondent must identify the HUBs with which it will subcontract. If using existing contracts with Texas certified HUBs to satisfy this requirement, only the aggregate percentage of the contracts expected to be subcontracted to HUBs with which the respondent does not have a continuous contract. In place for more than five (5) years shall qualify for meeting the HUB goal. This limitation is designed to encourage vendor rotation as recommended by the 2009 Texas Disparity Study.

Special Instructions: The GLO encourages each Respondent to select multiple subcontractors for each subcontracting opportunity who are able to perform work respondent plans to subcontract. This will allow the selected providers to make needed changes to their original HSPs and allow the GLO to quickly approve such changes.

Any questions regarding the proper completion of the HSP may be made to the GLO HUB Team as the only exception to the single point of contact. Use your best industry related experience and judgment when estimating the percentage of the subcontracts. HUBs and Non-HUBs must complete and submit a HUB Subcontracting Plan.

b. List the **three (3) Texas certified HUBs** you notified regarding the subcontracting opportunity you listed in SECTION B-1. Include the company's Texas Vendor Identification (VID) Number, the date you sent notice to that company, and indicate whether it was responsive or non-responsive to your subcontracting opportunity notice.

Unless the contracting agency specified a different time period, you must provide your subcontracting opportunity notice to trade organizations or development centers **at least seven (7) working days** prior to submitting your bid response to the contracting agency. A list of trade organizations and development centers that have expressed an interest in receiving notices of subcontracting opportunities is available on the Statewide HUB Program's webpage at <https://www.comptroller.texas.gov/purchasing/vendor/hubresources.php>.
